

CONVENT OF THE HOLY INFANT JESUS SECONDARY

20 August 2008

Dear Parents/Guardian and Students of Sec 2E/ N classes of 2008

SURVEY OF 2009 SEC 3E/N SUBJECTS

We are in the process of drawing up the subject combinations offered at Secondary 3 2009. We would appreciate if you could assist us by indicating on the on-line survey your preferred subjects. Your feedback will help us in determining the subject combinations to be offered next year.

You can log on to the school website, "www.chijsectoapayoh.moe.edu.sg/default.aspx." Proceed to do the on-line survey on choice of subjects relevant to your daughter's stream, Express or Normal. Click on "Students' Survey" which is found under the "Students' Corner". Please make sure that you submit your survey after you have completed it. If you do not have access to internet, your daughter can complete the survey using the school's computers

Please take into account your daughter's academic ability, interest and aptitude when you make your selection.

As this is strictly a survey, the choices you have indicated will not have a direct impact on the final subject combination offered by your child at the end of the year in CHIJ Sec. We will inform you on the subject combinations and the number of classes for each combination when we have analysed the findings of this survey and assessed the availability of resources.

Please complete the survey by 31 August 2008.

Thank you for your assistance and for the guidance you have been giving to your child in her studies. We hope that you will continue to encourage her to work hard so that she will be able to offer the subject combination she desires.
