

CONVENT OF THE HOLY INFANT JESUS SECONDARY

30/04/2009

Dear Parent/Guardian

CONDUCT OF TEMPERATURE-TAKING EXERCISE

1. The twice-daily temperature taking regime in schools was suspended in late July 2003, as part of nation-wide measures to step down control measures against SARS. Schools have continued to maintain vigilance by ensuring that processes are in place for the swift re-activation of temperature taking measures as and when necessary.
2. As part of measures to maintain schools' preparedness to resume the temperature-taking regime should there be a need to, there will be a temperature-taking exercise conducted on 4th May 2009 by the school.
3. We would like to seek your assistance in ensuring that your child brings his/her personal Oral Digital Thermometer to school on each day that he/she reports to school.
4. Thank you for your support and co-operation. Together, we can conduct a successful temperature-taking exercise as part of our continuing efforts to provide a healthy and safe environment for all in our school.
